

Upload of a picture – How to do

Note! Pictures may not have more than 100 KB!

Below the field where you enter the text, you find the field **Zusätzliche Einstellungen**.

There is the button **Anhänge verwalten**. Klick on it.

The screenshot shows the 'Zusätzliche Einstellungen' section of a forum post editor. It contains several sub-sections: 'Verschiedene Einstellungen' with checkboxes for 'Signatur anzeigen', 'Links automatisch umwandeln', and 'Grafische Smileys deaktivieren'; 'Dateien anhängen' with a list of allowed file extensions and a button 'Anhänge verwalten' highlighted by a red arrow; 'Thema abonnieren' with a dropdown for 'Benachrichtigungsart'; 'Umfrage erstellen' with a checkbox for 'Ja, eine Umfrage erstellen' and a field for 'Anzahl an Antwortmöglichkeiten'; and 'Thema verwalten' with checkboxes for 'Thema schließen' and 'Thema oben festhalten'. At the bottom are buttons for 'Thema erstellen' and 'Vorschau'.

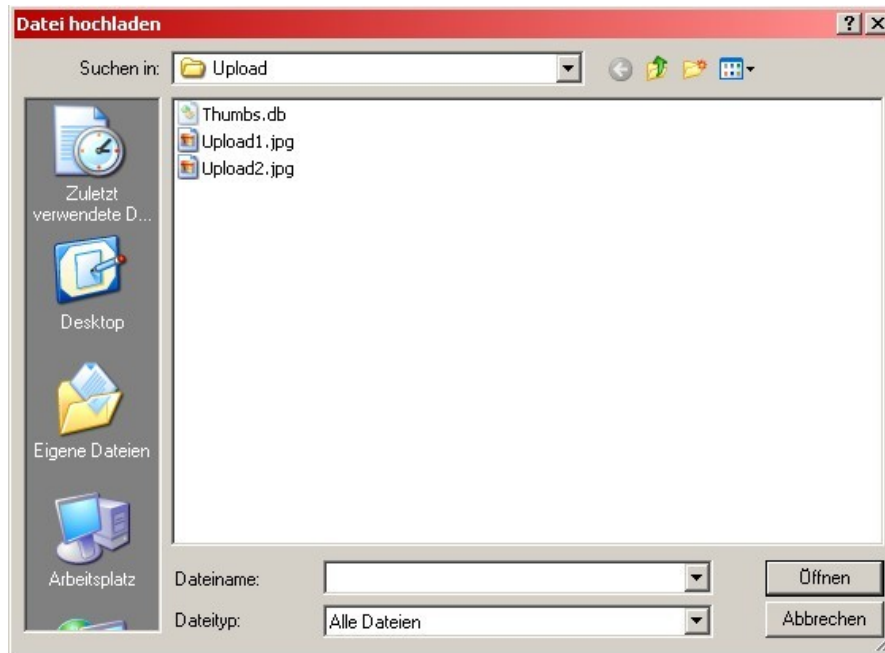

Klick on **Durchsuchen**

The screenshot shows the 'Anhänge verwalten' window in Mozilla Firefox. It has a menu bar with 'Datei', 'Bearbeiten', 'Ansicht', 'Chronik', 'Lesezeichen', 'Extras', and 'Hilfe'. The address bar shows the URL 'http://forum.ahnenforschung.net/newattachment.php?f=378&poststarttime=123'. The window title is 'Anhänge verwalten - Ahnenforschung.Net Forum - Mozilla Firefox'. The main content area has two sections: 'Datei von Ihrem Computer hochladen' with five 'Durchsuchen...' buttons and a 'Hochladen' button; and 'Datei von einer URL hochladen' with five empty text input fields and a 'Hochladen' button. At the bottom is a 'Legende' table.

| Dateityp | Max. Dateigröße | Max. Breite | Max. Höhe |
|------------|-----------------|-------------|-----------|
| bmp | 100,0 KB | 800 | 600 |
| doc | 100,0 KB | - | - |
| gif | 100,0 KB | 800 | 600 |

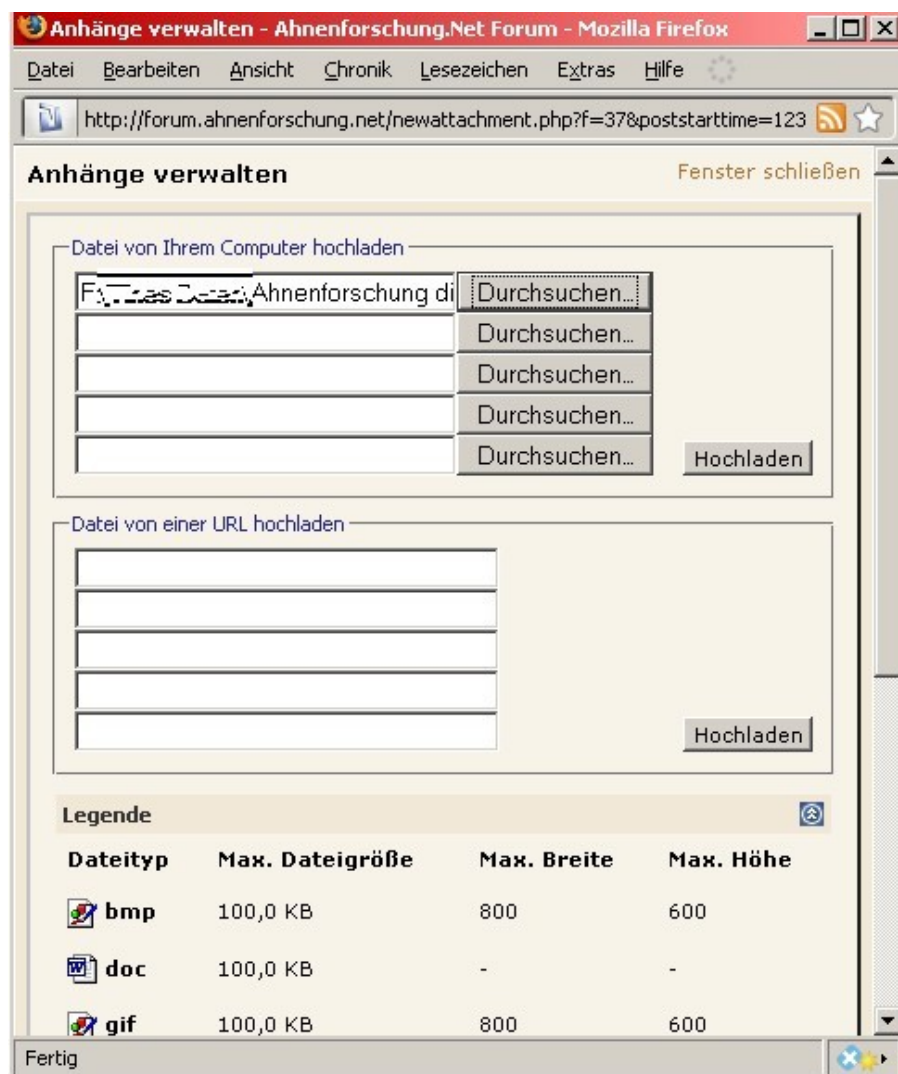

The status bar at the bottom shows 'Fertig' and a progress indicator.

Now you see a window like this:

Search your file and click on **open (öffnen)**

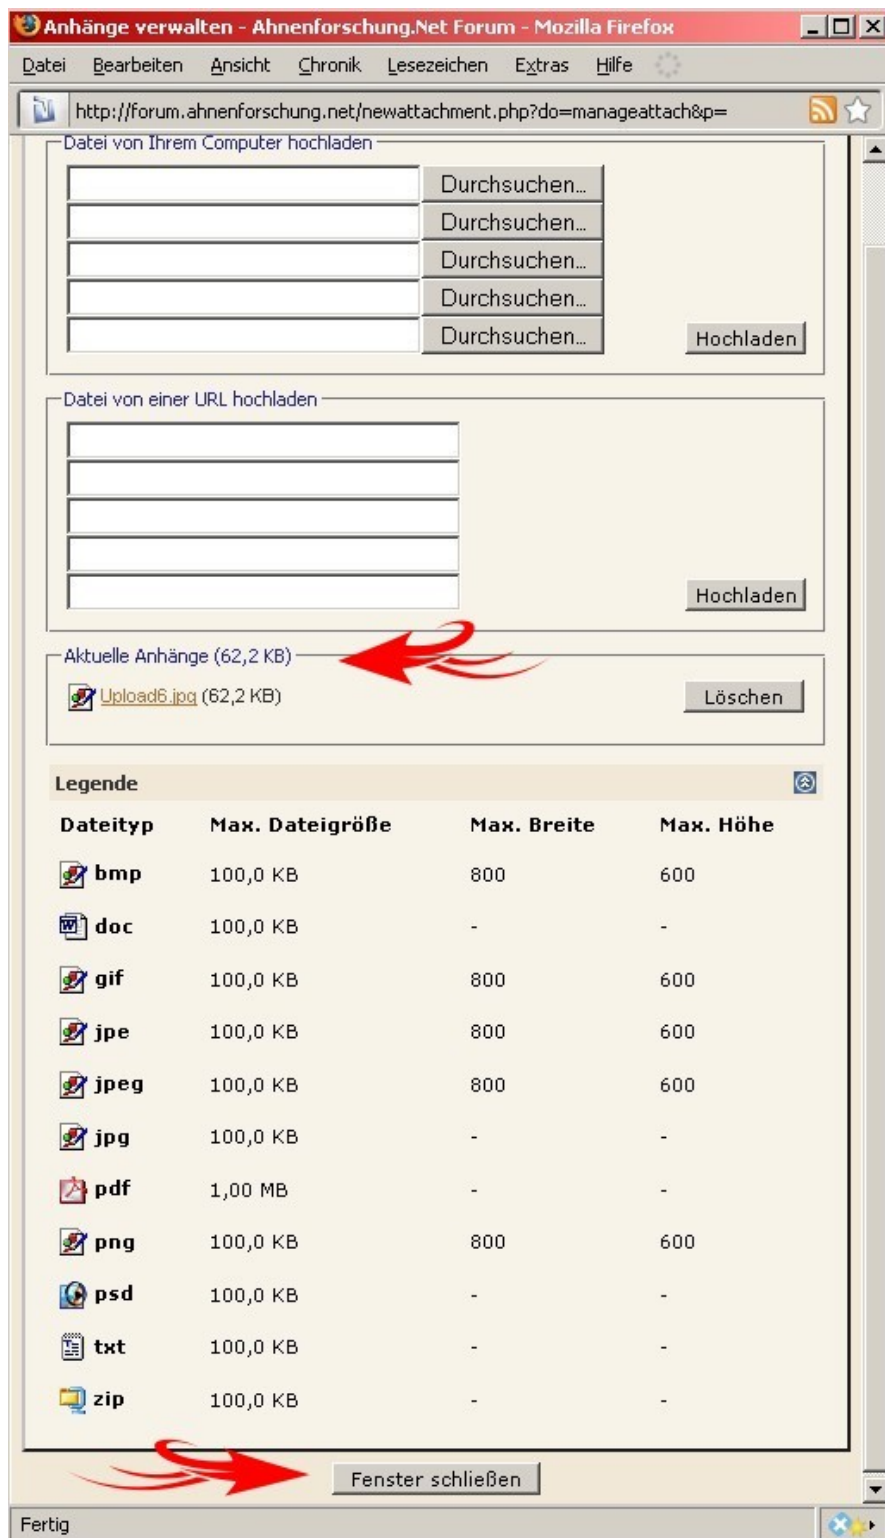

Now you see the window from step 2 again.

Klick on
Hochladen

Note: If you close the window without a click on **Hochladen**, the picture will not be loaded!

If all is OK you'll see the following window with all uploaded files.

You can now close **this** window.

Don't forget to save the thread with a click on **Antworten!**
